

# COLLEGE HACKS FOR SAVING MONEY

You're accepted into college, but what money hacks do you need to know to reduce costs for the next four years? In addition to applying to [FAFSA](#) (and learning the [new rules](#)) each year and looking for [summer](#) or work-study job, add these resources to help stretch your dollars. If you're applying for scholarships, know the deadlines to submit, requirements, and if receiving an external scholarship can impact any financial aid that your college has offered you.
